1. I am taking you to a far place where you will be well received. You will become as My word for you are My word and My word you will deliver in judgment not, judgment some, judgment all; for all is required for maturity and judgment at the center of that all. Judgment at the seat of your authority, your authority given; the seat of authority how you exercise it, implement it, and what you do with it with other people. I love you for issuing My words of judgment, of love, of which they are both, if only all knew; received, accepted, walked in, exercising, what I alone have given them. I love you.
2. I love you for issuing My words of judgment coming upon the earth at midnight not, before, before, before so all is as I have stated. Become and wish not that you had, had yielded to My temptation not, but My release of life, pure water, drinking freely from the fountain of freedom of which I am the least not, the Maker, the giver, the releaser, the who will I let Me be Me this day not, all provisioned, all released, way made.
3. Step into your role, step into Me. Become Me and all that I have. All that I have is thine, for Mine who will judgment receive this day to walk in freedom matured and abase not that which I've called holy, holy and mighty, and gave My life for, washing in My blood, holy of holies all, inside them, every one. I love you.
4. Think it not strange My call for judgment, holiness, maturity. Holiness and judgment required for maturity to mature. See, feel, judge; you, yourself being first, foremost, for you to judge yourself and self see, self see, self see and feel and experience My love, My rejuvenating exuberance, My fountain of life; pure blood, pure water, pure food; streaming from My Father to son and daughters yea.
5. Mature (5) I pray you this day and sit not on sidelines and pews and watch your world, opportunity, go by, relinquishing all I made you to be, thinking you are so holy and mighty and judge yourself not.
6. Judge yourself and come into Me guilty of every stain and let My blood cover, My blood covered already. Accept My blood fount this day, streaming to your seat of authority, your kingship/rulership of your life-thought, My life real. I love you. Hear Me, see Me, feel Me, become Me.
7. Judge yourself and be judged by only Me. I love you. 'Judge not' (2) applies not to yourself. Judge that ye may yield the fruit of righteousness, peace and joy of which love is; righteously giving life (3), taking/demising non-life. I love you. Judge therefore and be condemned not. Not now, not forever. I love you.
8. Judge righteously (4) and not upon your laws but Mine, in whom is no shadow or variableness of turning. I turn to you this day, looking at you full face, in the mirror, your

mirror I speak of; for I am holy and I am in you and you are in Me and we see and we judge and how what why we see/judge is crucially pivotal in maturing process.

9. If only you will let Me I will explain every word of this, to you, My hand to yours. Faint not, for behold I will write through your very pen My judgment, righteousness and joy, to give you peace perfect if you let Me, **picking up your pen and letting Me be Me**, unafraid of making some dire mistake causing a formidable stumbling block. Yea mature; write, write to Me and see if I will not write to you, back to you, in you, through you, in your own handwriting.

10. Think it not strange My call to maturity, My call to My quarters, **My call to honor Me in you; so delicate not, so delicately not; persevered, constant, waiting to be opened,** treasure of My Father: Me, Seed in you. See what I have said.

11. Judge not that you be not judged applies not to you. Judge yourselves this day and come clean in righteous purity and judgment, seeking of only Me, My blood covers, while My blood covers. **A day comes when judgment ceases and yea all starts again.** Watch Me. I love you. I live forever, shall not you? Have I not said, declared, proclaimed it, repetitively, blaring? I love you.

12. Seek not judgment from others, but Me to you, My heart to yours, My eyes to yours, My training/rehabilitation to royalty, to you, from Grace, My hand in judgment, maturity sought, you seeking. I love you. Royalty be, you are. See Me accept Me, My blood recompensated. I love you. Me.

13. Why think ye small? **This is the day of My appearing in My flesh,** My flesh not, My creation, the work of My hands, My body and blood, bread of heaven. I love you. Walk in all that I have said, instructed, called to this month, this day, **this plea for mercy not but judgment, made by you, to Me, My all, My altogether lovely**. I love you.

14. My divinity comes. Watch Me. Only by blood, fire and water, all of My spirit, judgment matured, coming/came/coming as a servant, prepared in humility, making of yourselves no reputation, coming to garner not but serve and be served by only Me.

15. I come before you in fullness of meekness showing you My face, face of My word, word of My face, maturing you desiring, to walk with Me down isles many in countries foreign and worlds afar. Think Me not small or limited. I love you.

Abundance I am.
No-Lack I am.
All-Provision I am.
The Lamb I am.
Slain I was.
Slain I am.
Reigning I am.
In you I am.
Reigning you do with Me I seek, maturity required. I love you.

16. Seek not the stranger. The stranger is you. All coming now to all who know only Me, in street clothes not, in finery of only Me, from the lowest to the thought-highest. I love you.
17. **Seek Me and My judgment only and love and laugh and peace have; maturing Me in you, you overtaking your own flesh, becoming only Me, our joy and laughter, wedding complete**. I love you. Kiss the son (1). I love you. I kiss you.
18. Thank you for writing this and never hiding. Show-off not. My Me coming forth in maturity matured (5); Me. The wedding at Cana, all of Me (6). I turn your water into wine this day; all, you, you, you who let Me. Thank you for doing so.
